

Welcome to
The Fraserburgh Leisure Centre Restaurant

At the Leisure Centre we pride ourselves in utilising what we have on our doorstep - our brilliant local suppliers.

We are passionate about using fresh local produce for example, our fresh fish from Prime Seafoods here in Fraserburgh, to our fresh meats from Bert Fowlie in Strichen and even our made-to-order ice cream from Peters Ices in Cairnbulg.

We use local whenever possible, to ensure that our guests receive the fruits of the North East of Scotland.

Should you have any dietary requirements, please make your server aware and we will be able to accommodate you.
